FOREWORD

The year of 1967 marks the beginning of a new era. The 100th commencement is also the first coeducational one. The revised curriculum and expanding sports programs have transformed student life. This year's Triangle reflects new spirit and vitality at Brownell-Talbot.

DEDICATED TO

KATHERINE SHUTTS CAMPBELL

Let me but do my work from day to day
In field or forest, at the desk or loom,
In roaring market-place or tranquil room.
Let me but find it in my heart to say,
When vagrant wishes beckon me astray,
"This is my work; my blessing, not my doom,
Of all who live, I am the one by whom
This work can best be done in the right way."

Henry Van Dyke

ADMINISTRATION & FACULTY

The Board of Trustees of Brownell-Talbot School is made up of interested parents, friends, and alumnae of the school. Headed by The Right Reverend Russell T. Rauscher, Bishop of Nebraska, this board directs the school's progress and forms the policies by which the school is guided. Bishop Rauscher is shown at left with students Lee Webster, Sophomore, and Dale Beckerman, Senior.

THE BOARD OF TRUSTEES

The Executive Committee of the Board is hardworking and dedicated. Members of the committee shown at right are Mallory Kountze, executive vice-president; Bishop Rauscher, president, Donald E. Brown, vice-president; Herbert H. Davis, Jr., and Ray B. McMartin. Not pictured are C. James Bulla, secretary-treasurer, and Tyler Gaines.

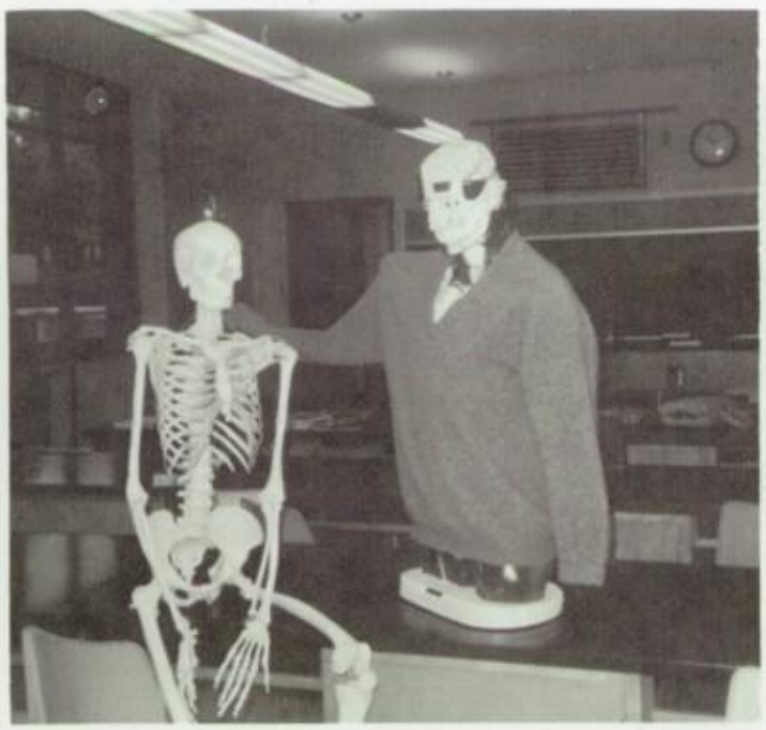
JOHN H. BRUCE, HEADMASTER

What makes a good headmaster? Not only must he be an able administrator, but also a concerned and personal counselor of each of the students in his school. A mediator, a salesman, something of a politician, occasionally a disciplinarian; he must possess all these qualities and more. Brownell-Talbot has been very fortunate in having such a man for the past eight years. The students will indeed miss Mr. Bruce and wish him much success in the future.

THE SCIENCE DEPARTMENT

Mrs. Trumble, Mr. Curtis, and Mr. Schroer discuss Science Department plans.

Will the real Mr. Curtis please stand up?



With the addition of the Hitchcock Science Building in 1965 a progressive Chem-Study course has been added. Chemistry alternates with Physics, which was the course taught this year by Mr. Earl Schroer. Biology, Advanced Biology, and a unique Earth Science course were taught by Mr. Fred Curtis, who was also head of the Science Department. Mrs. Gertrude Trumble and Mr. Curtis taught General Science courses to Brownell-Talbot's younger students.

THE MATH DEPARTMENT

In accordance with new science courses available now, the Mathematics Department has added more advanced classes. Trigonometry and Advanced Algebra were taught this year by Mr. Delmar Wallace, head of the Math Department. He also taught Math Review, Plane Geometry, and Algebra I and II. Mrs. Ann Nordin taught the other sections of Algebra I and II. Middle School Math was taught by Mrs. Rae Keogh.

Mrs. Keogh, Mr. Wallace, and Mrs. Nordin.

THE HISTORY DEPARTMENT

From left to right: Mr. McCoy, Mr. Russell, and Colonel Smithson.

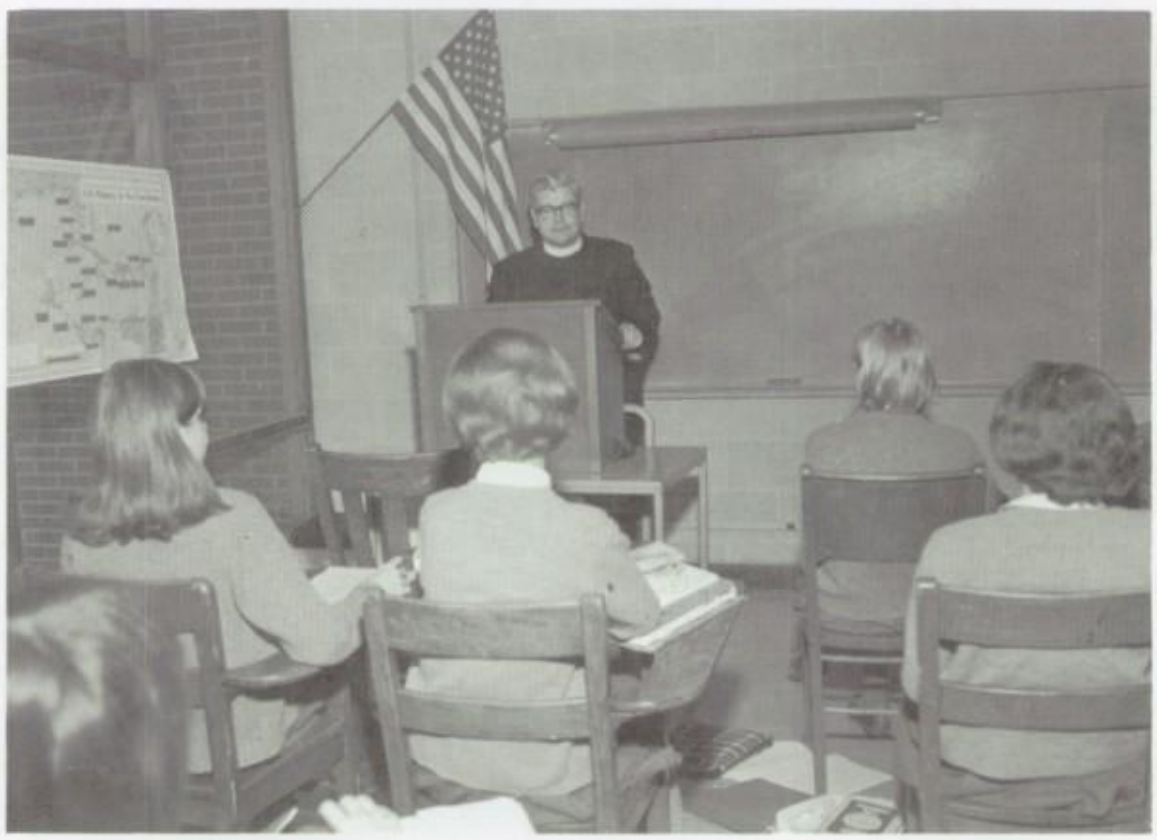
Brownell-Talbot's already excellent History Department was supplemented this year by the addition of a new course, Economics. Mr. Frank Russell, head of the department added Economics to his other courses, which include European and American Histories, and American Government. Colonel Albert Smithson taught Far Eastern History, and Mr. Bruce McCoy taught Geography and Social Studies to the Middle School. Miss Anna Myers also teaches a very unique History of Art Course to Upper School students.

Mr. Russell explains current affairs to Dennie Deuser.

THE RELIGION DEPARTMENT

Brownell-Talbot students are offered the opportunity to learn much about Religion from The Reverend Samuel Elliston. Father Sam's classes are always stimulating, and no one fears expressing his opinions in discussion. This year, as in the past, the first year Religion class was concerned with basic theology, second year with the life of Christ, and third year with Ethics. Father Sam also taught Religion to the Fifth Grade.

Sinner Sam the Religion Man!



Father Sam lectures to his Religion Class.

THE ENGLISH DEPARTMENT

Mrs. Wills, Mr. Duffey, and Mrs. Carey

Brownell-Talbot students are fortunate to have an English Department which stresses grammar, composition, and literature and also allows the students a chance to excel in specialized fields.

Mr. William Duffey is head of the English Department. In addition to his regular English courses, he teaches Humanities and serves as faculty advisor to our literary magazine, The Ivy and the Ashlar.

Besides being the faculty sponsor for the Triangle, Alumnae Secretary, and College Counselor, Mrs. Carey teaches English and Contemporary Literature.

Mrs. Beatrice Wills is the other faculty advisor for The Ivy and the Ashlar. Her contributions to the curriculum include Freshman English and Speech.

These qualified teachers offer their students unlimited opportunities in the field of English.

Mrs. Jackie Byers taught English to Seniors and Sixth Graders during the second semester.

ARTS AND SKILLS

Specialized courses are offered by these qualified teachers. Mrs. Mildred Tangeman taught typing to many students this year from Middle School on up. Private voice lessons were given by Mrs. Marilyn Berg and art lessons by Miss Anna Myers. The newly carpeted library became an increasingly important part of Brownell-Talbot students studies. Head Librarian this year was Mrs. Marjorie Hockett, and her assistant were Mrs. Ann Nordin and Mrs. Louise Stimsom.

THE LANGUAGE DEPARTMENT

Mr. Nazario, Mrs. Campbell, Colonel Smithson, Mrs. Vawter, And Miss McLeod. Not pictured: Mrs. Greenberg.

Although Brownell-Talbot is a small school, its language department is very extensive. This year was no exception. French and Spanish, taught by Mrs. Bonnie Vawter and Mrs. Yvonne Greenberg respectively, were offered to Lower School students. At the Upper School level, Mrs. Katherine Campbell and Mrs. Phyllis Westpheling alternated Latin courses. French was taught by Miss Carol McLeod and Mrs. Bonnie Vawter. Señor Amadeo Nazario has been teaching Upper School Spanish for Dr. Espinosa. Colonel Albert Smithson was acting head of the Language Department this year and he also taught all Russian courses. All language classes participated in the Christmas program and gave good representations of Christmas customs and carols of the various countries.

THE FOREIGN LANGUAGE PROGRAM

THEY CONSIDER NOTHING IMPOSSIBLE!

Office Staff: Mrs. Ruth McLaughlin, Mr. Ivan Christiansen, Mrs. Winifred Waples, Mrs. Esther Jepsen.

She adds an unmistakable touch of patience and efficiency beyond mere skill.

P. L. Adkins: The best night watchman ever!

KITCHEN STAFF: Mrs. Alice Clements, Mrs. Georgia Mothershed, Mrs. Elena Ivaskevecivo, Mrs. Mona Van Horn.

RELIGION

THE ST. MATTHIAS ACOLYTE GUILD

The name of the Brownell-Talbot Acolyte Guild is the Knights of the Temple. Master of the Guild this year was Tom Hawkins and Scott Bowie was the Novice Master. Dale Beckerman was the Sacristan and Registrar. Six acolytes composed a team and each team served once a month. A plaque was awarded to the best team at the end of the year. Mr. Duffey was sponsor of the Acolyte Guild this year. In the above picture the members of the Chapter are vested, and the Novices are in their uniforms.

THE ST. MATTHIAS ALTAR GUILD

The work of the Altar Guild has grown much in importance in the recent years. All the girls involved in service for the Chapel have been taught responsibility and the benefits of this voluntary work. Mrs. James R. Field has developed the Altar Guild over the past eight years. Everyone will miss her next year, but she has been training Mrs. Joan Zandbergan to continue her dedicated work in the years to come. Trudy Muller was President of the Altar Guild this year.

GO BIG RED

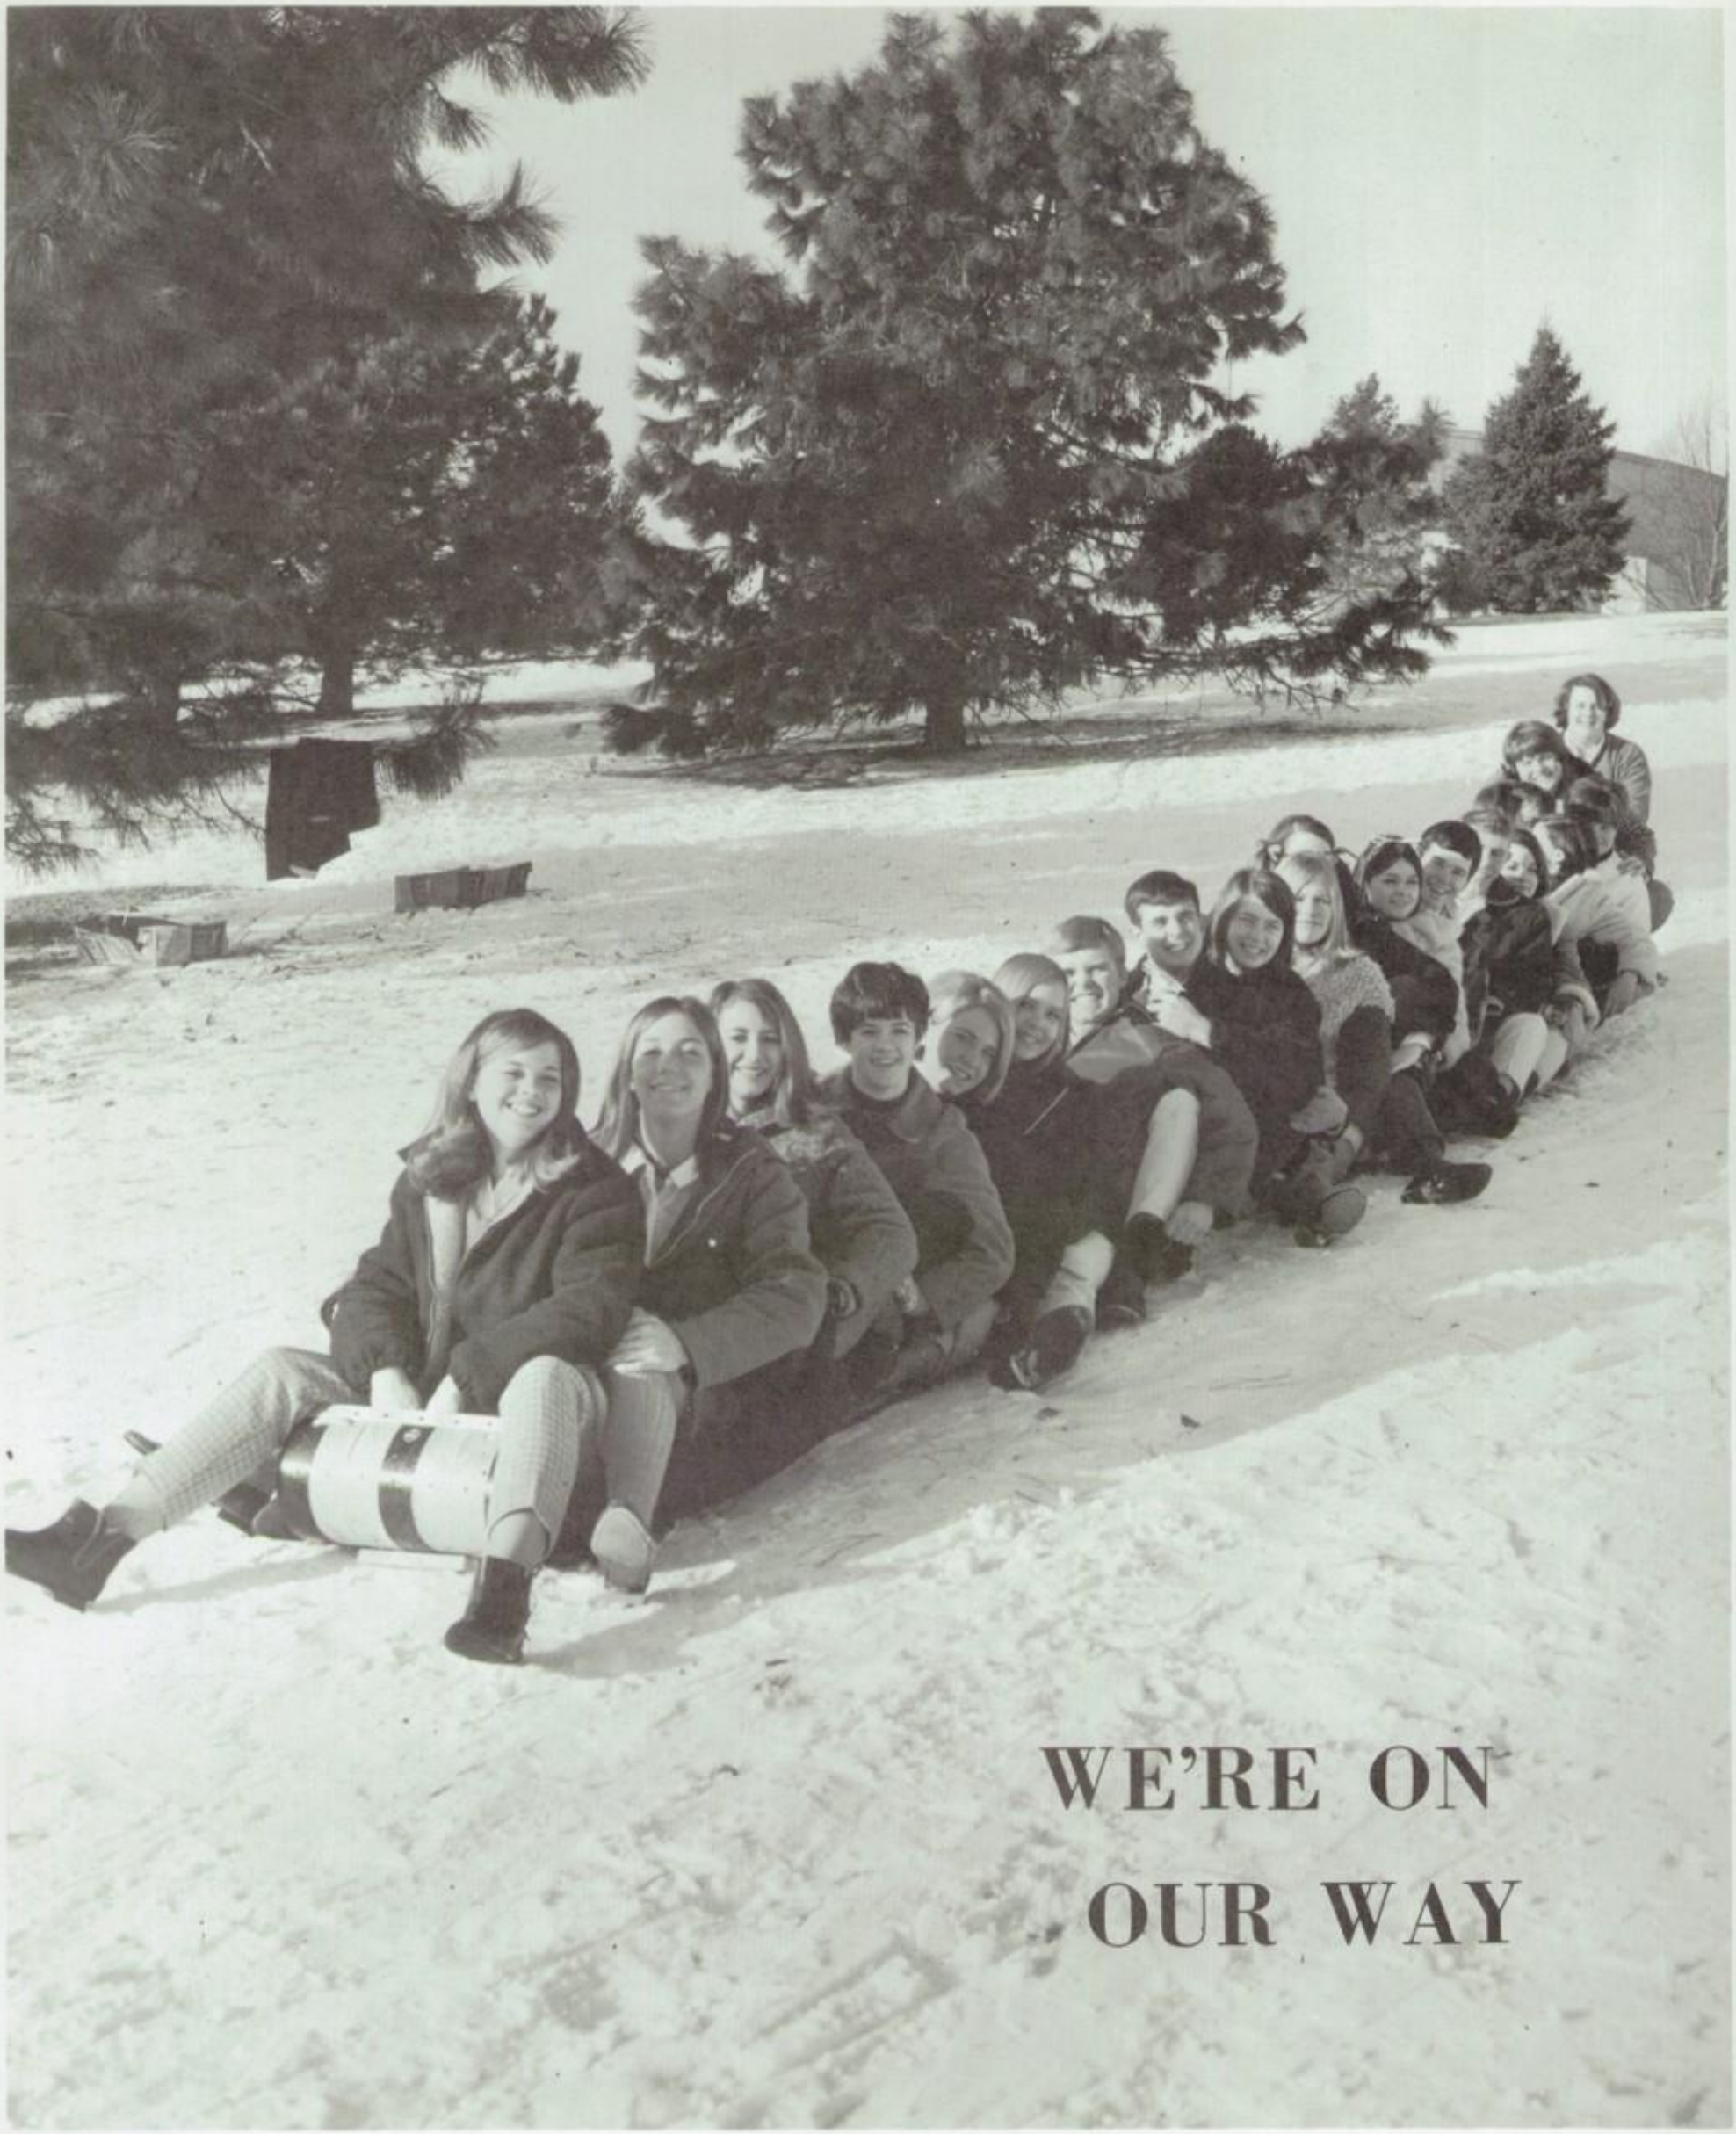
THE YEAR OF CHANGE 1967

The old floors of Brownell Hall shake under the weight of new feet! The chapel choir is invaded by tenors and baritones. The boys are here!! They have conquered the forces of "ol' B.H." and have joined ranks with the feminine members of the class as rulers omnipotent! Many claimed that the class of '67 would never make it. But now it can (and does!) boast of many triumphs: a new, plush Senior Study; greater leadership in all fields; four members in National Honor Society; three National Merit letters; but most of all, the best-looking class that Brownell-Talbot has ever seen! !

Under the expert guidance of Senior sponsors, Mrs. Carey and Mr. Duffey, the Seniors have reached new heights. They managed to auction off useless freshmen, shape these vassals into respectable students, and duly initiate them. They have furnished the new Senior Study with invaluable works of art, such as the "Cattle Crossing" sign, and original oil paintings.

Seniors never have dull weekends, (Heaven forbid!) even if a party hasn't materialized by Friday noon. Indubitably everyone gathers at Uren's for a pleasant evening of "dangling conversation" about those not there or even unsuspecting (?) souls present.

With the brains, beauty, and brawn it shows, the 1967 Senior class will not be forgotten! !



WE'RE ON OUR WAY

UNDERCLASSMEN

THE JUNIORS

The Eleventh Grade this year struggled to prepare for fast-approaching senior life. They were given the responsibilities of being ushers in Chapel and hosts and hostesses in the dining room. They also planned bake sales to raise money for decorating for the Christmas and Spring dances and for other financial demands on the class. The Juniors were led in these efforts by their sponsor Mr. Curtis, and by Anne Seemann, President; Barb Roush, Secretary; and Mark Wormington, Treasurer.

Tom - Too bad you won't be here next year - I am KEEPING WITH YOUR POLICY AND HAVING A SUPREME RULE COME BACK AND SEE ME NEXT YEAR! Curt

SEATED: Barb Roush, Mary Dooley, Anne Madison, Patty Westpheling, Anne Seemann. STANDING: Kurt Pittner, Mike Axtell, Bob West, Diane Beckerman, Gay Slunicko, Susan Marcotte, Mark Wormington, JoAnn Rogers, Bill Carey.

SECOND ROW: Neely Kountze, Lee Webster, Leigh Neligh, Tracy Brown, Molly Davis, Robert Stewart.

THE SOPHOMORES

The class of 1969 nas been an important part of Brownell-Talbot, both in academic and athletic activities. The boys this year and in the future will be vital members of the Blue Raider teams, and the girls have carried on the traditional duties of the Upper School. The Sophomores decorated the stage for the Christmas program this year.

The officers of the Sophomore Class this year were Leigh Neligh, President; Neely Kountze, Vice-President; and Tracy Brown, Secretary-Treasurer.

THE FRESHMAN CLASS

FIRST ROW: Rick Husband, Kathy Keogh, Debbie Merrill, Martha Pickford, Cathy McEachen, Marisa Ortega, Mike Zuber, Mary Batchelder. SECOND ROW: Pam Bulla, Debbie Bentley, Carol Bowie, Adrian Fechner, Mark Jennings, Libby Baxter, Ted Cleveland.

"I bid ten Teaberry gum wrappers from Mr. Russell's History room for... SOLD: one Freshman!" This was the method used by reluctant Seniors in their task of molding immature Freshman into respectable members of the Upper School. This auction marked the beginning of the annual initiation, which was climaxed by the traditional Senior-Freshman Breakfast at the Pancake House. The Ninth Graders adjusted well and participated in many school activities. Their successful bake sales held in the cafeteria helped pay for the choir robes. This class will continue to be an asset to the school. The Freshman Class officers were Cathy McEachen, President; Carol Bowie, Vice-President; and Marisa Ortega, Secretary-Treasurer.

The Eighth Grade's most important function is that of dining room servers. This year Miss McLeod has successfully supervised them in serving Juniors, Seniors, and Faculty, as well as at the Christmas Dinner. They have proven responsible and should adjust well in entering the Upper School next year.

SEATED: Chris Harding, Laura Carey, Tinker Cudahy, Candy Flower, Lynn Deuser, Cathy Scott, Betsy Gaines, Elizabeth Gerd, Buzz Herman. STANDING: David Brown, Peter Hunzeker, Peter Davis, Teddy Knudtson, Dana Burkley, Jay McMartin, Kit Sanders.

THE SEVENTH GRADE

The Seventh Grade enjoyed the year under the sponsorship of Mr. McCoy. They were the leaders of one of the most vital operations in the school, the Safety Patrol. This year they studied mythology and portrayed gods and goddesses in a skit. The Seventh Graders are ready to assume the responsibility as the leaders of the Middle School next year.

THE SIXTH GRADE

The Sixth graders have served Brownell-Talbot well this year as the fire patrol. Great interest was shown in class elections and colorful campaign posters adorned the hall near the sixth grade room. With Mrs. Keogh as their class sponsor the sixth graders have made a successful entrance into the middle school.

SEATED: Kathy Thompson, Mary Matthews, Dick Blank, Lucia Batchelder, Charlie Kountze, Doug Blank, Hopie Cudahy. STANDING: Mary Beth McCorkindale, Ceci Cook, Sandy Stryker, Mary Elliston, Bob Cohen, Mark Sidles, Tom Keogh, Kathy Koch, Libbie Hansen, Kay Penzien.

Cowan, John Matthews, Aaron Ferer, Toby Cudahy, John Gerd, Kevin Moriarty, Elise Tamisiea. THIRD ROW: Shirley Landen, Deborah Rahel, Robyn Ginn, Mary Jane Bruce, Nancy Malnove, Mimi Marcotte, Karen Thompson.

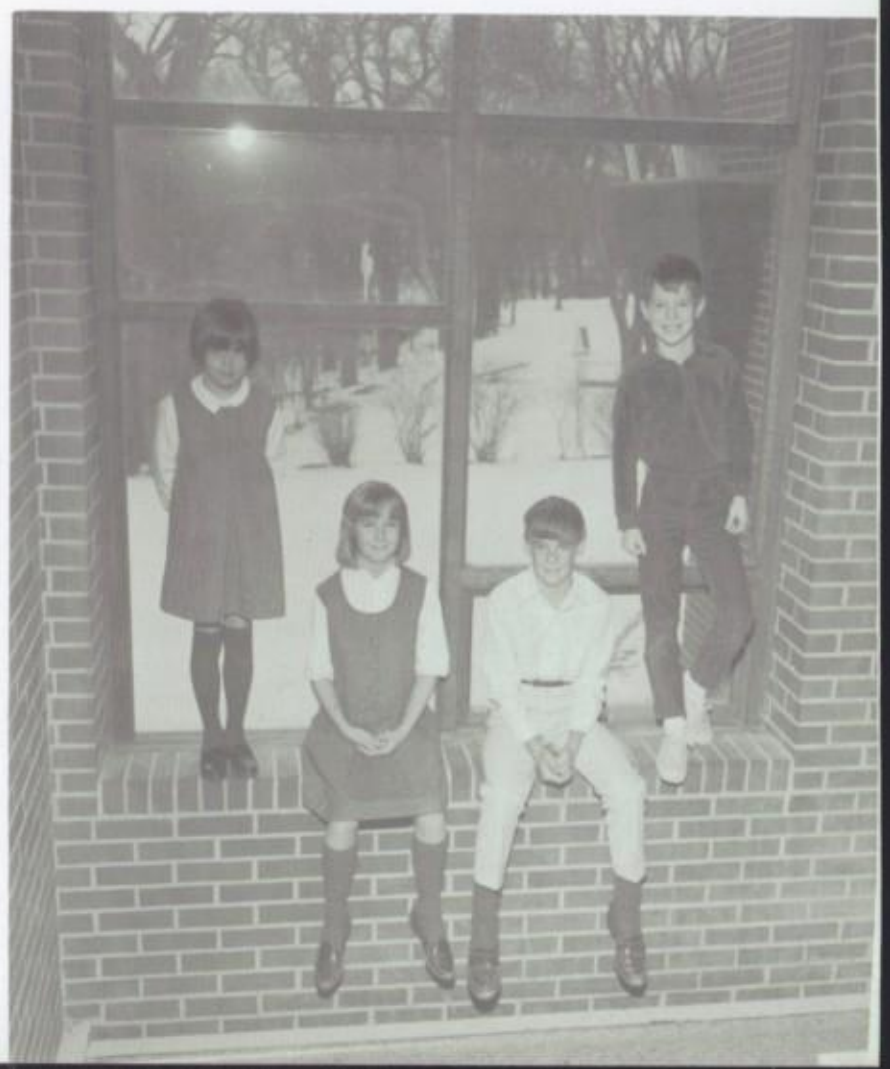
THE FIFTH GRADE

The Fifth Grade, taught by Mrs. Alma Wallace, had many duties which they performed. Some of these were cleaning up after lunch and helping to monitor the First Grade. To gain poise and confidence they presented three plays in Swanson Auditorium for their parents and other students. This experience aided them in the more independent functioning which will be expected of them next year.

SEATED: Allyson Ferer, Missy Pemberton, Elizabeth McMartin, Heidi Hamsa, Marjorie Prucka, Barbie Truhlsen, Carolyn Seybold, Diane Howard, Barbara Marcotte, Mardi Finnman. KNEELING: Mike Beebe, Champ Cudahy, Carl Ashford, Teddy Kountze, Brad Sidles, Jim Elliston, David Gaines, Bobby Berger, David Neligh, Peter Harding, Miss Schmidt. Not pictured: Martha Thomas, Bobby Ginn, Kenny Jaros.

THE FOURTH GRADE

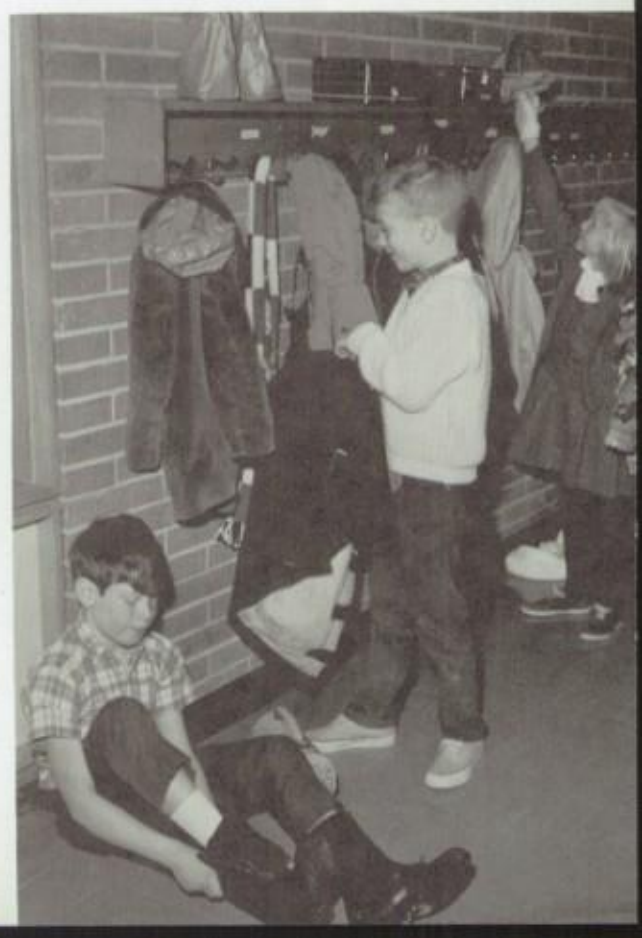
This year's Fourth Grade had an interesting year. To make their geography studies more exciting, they took a pretend "trip" around the world to such places as Japan and India. The children also enjoyed playing College Bowl to improve their memory. One of the highlights for the Fourth Graders was an afternoon trip to the State Theater to see "Monkeys Go Home". Miss Mary Beth Schimdt was their teacher this year, and she combined work and fun to make this year enjoyable for the Fourth Grade.



From left to right: C. L. Landen, Susan Loucks, Sam Hilmes, Tammy Cudahy, John Freemyer, Tracy Harding, Rick Deuser, Anne Watson, Whitney Ferer, Trece Rahel, James Polack, Kriste Robinson, Sandy Morris, Selma Kessler.

THE THIRD GRADE

Education of young children is not neglected at Brownell Talbot, especially in the Third Grade. Mrs. Edith Geisler taught them their "readin', 'ritin', and 'rithmetic." The youngsters also learned about plants and animals in their Science Class with Mr. Curtis, which meets once a week. Beginning French and Spanish are also enjoyed by the students. This class is well prepared for the future, and its potential is high.



SECOND GRADE

The Second Grade had fun this year learning the basic skills required for good work. They learned to use cursive writing and invented challenging games which helped them with numbers. Mrs. Eva Crume was their teacher this year and encouraged the children to be creative in all their work.

From left to right: Kit Krause, Susan Olwine, Matthew Ferer, Claudia Beck, T. H. Maynor, Joslen Johnson, Laura Sibbernsen, Kim Roth, Jerolyn Etchison, Barry James, Stan Jaros, Sally Gaines.

THE FIRST GRADE

The First Grade discovered many things this year. Besides learning to read and doing simple mathematics, the students learned about their school and their community. The First Graders also composed original stories and acted them out in the class room. Their teacher this year was Miss Betty McCorkle.

FIRST ROW: Kristin Hamsa, Tari Bohaty, Debbie Steele, Carol Berger, Allison James. SECOND ROW: Ronnie Wills, Jimmy Landen, Elizabeth Bastron, David Nordin, Alexander Paine, Patricia Donald, Nina Cudahy. THIRD ROW: Jeff Pemberton, Mary Elizabeth Hahn, Kelli Farrar, Pam Peterson, Stacey Truesdell, Carol Marcotte, Miss McCorkle. Not pictured: Randy O'Dougherty.

THE KINDERGARTEN

FIRST ROW: David Farrar, Megan Hamsa, Mike Gerlach, Ann Maschka, Kristin Swanson, Tilford Pemberton, Sandra Graham. SECOND ROW: Gigi Milder, Mrs. Trenholm, John Schenken, Brinker Harding, Karen Veverka, Tenley Fisher, Wendy Strom, Daniel McKinney, Jeff Nordin, Brian Knudtson, Mrs. Carver, Barbara Musil. Not pictured: Kim Crosby, Hal Koch, and Bryan O'Dougherty.

Brownell-Talbot believes that children should learn a few of the basics of education as early as possible. Therefore, in Kindergarten, these children were taught introductory arithmetic through the use of workbooks. They also learned to print the alphabet and even to spell their names. Creativity is not neglected, and these kindergarteners were enthusiastic about their art work. During the holidays they made original Christmas cards for their parents. Under the guidance of Mrs. Lois Trenholm and Mrs. Patricia Carver these children are well prepared to enter First Grade next year.

FIRST ROW: David Peebler, Tripp Weil. SECOND ROW: Craig Rogers, John Prokop, Dan Koch, Mary Nell McKinney, Vicki Novak, Robert Harding, Cathy Hadsell. THIRD ROW: Hunt Lewis, Mary Beth Quinn, Randy Wills, Rosemary Klopp, Rick Schefter, Nancy Landen, Robert McMartin, Hubert Etchison, Rick Graham. FOURTH ROW: Jimmy Quinn, Stuart Martin, Tara Wilson, Evan Sunde, Nancy Rehmann, Robert Harrison, Tom Sorrel, Mrs. Watkins. Not pictured: Brant Greenberg.

THE NURSERY

The Nursery children have enjoyed participating in their fall study in nature. This study consists of walks on the school grounds to gather nature specimens. The boys and girls have also enjoyed dramatizing songs. Another facet of their education has been playing with educational toys which have taught them shape and design. Under the direction of Mrs. Louise Stimson and Mrs. Vesta Watkins the children have been taught to learn through experience.

ACTIVITIES

THE TALBOT GLEE CLUB

The Talbot Glee Club this year became more specialized. Boys from the lower, middle, and upper grades were chosen and their voices harmoniously arranged by Mr. Duffey. Rehearsals held three times a week provided the practice needed for these select singers to present stimulating religious music at the Christmas program. The group also performed on St. Matthias Day.

THE UPPER SCHOOL GIRLS' CHOIR

The Upper School Choir responded rapidly to the leadership of the new Choir director, Mrs. Marilyn Berg. They sang several hymns at a Thanksgiving Vesper Chapel Service. Also, in order to carry on the tradition of wearing white robes at the Christmas Program each class raised the money necessary for rental of the robes. The Choir accompanied the basketball team to Wichita and impressed Collegiate with several of their best songs. Another highlight was a television appearance on Channel Three's Junior Achievement program. Mrs. Berg selected a triple trio which sang at the final performance of the year, the Spring Concert. Choir officers this year were Bee Traywick, President; Candy Comine, Vice-President; and Sue Garrett, Secretary-Treasurer.

MIDDLE SCHOOL GIRLS' GLEE

Officers: President--Kelsey Flower. Vice-President Terry Deuser, Secretary-Treasurer Meg Muller.

Girls from the sixth, seventh, and eighth grades met three times a week to make the Girls Glee three times better than ever before. Since it met more frequently, the girls found additional time to study music. Under the direction of Mrs. Berg the girls learned about note reading, vocal production, and interpretation of various styles of music and composers. The Upper School Choir will be getting many good singers in the future.

Service League President Karen Eagle, Trudy Muller, Nancy Olson, Suzy Stryker.

THE SERVICE LEAGUE

The Service League, composed of high school girls interested in volunteering their time and efforts for worth-while activities, undertook a variety of new and different projects. In correlation with the National Episcopalian School Week, the Service League collected from students toys and games which were given by Trinity Cathedral to Project Head Start. The Service League members also worked at the Danny Thomas Leukemia Center and participated in the Cerebral Palsey Drive. During the Christmas holidays they made favors for children at the University Hospital and visited a Rest Home. In the Spring the Service League provided playground supervisors for the Creche Home for Children. Brownell-Talbot was also represented on the United Community Services Board of teenage volunteers. Each girl gained from firsthand experience the satisfaction in helping others.

CLOCKWISE: Nancy Olson, Anne Madison, Tracy Brown, Dennie Deuser, Mr. Russell, Cathy Danberg, Mrs. Nordin, Karen Eagle, Ted Cleveland, Rick Husband, Susan Marcotte.

STUDENT COUNCIL

This year the Student Council handled its responsibilities very well. It served as the authority for classes wishing to sponsor various activities. It distributed the privilege of running the concession stand at home games to different organizations. One of its money-raising projects was selling Talbot Blue Raider Booster buttons and it was quite a success. Many convocations were presented, including a talk on Russia by Dr. Ross Horning, a program about the Civil Air Patrol, Dale Beckerman's slides of Sweden, and a rules convocation in which Student Council members explained the school rules. Another activity undertaken by the Student Council was the painting of the rec room, which was done on two weekends. At the Christmas Dinner Mr. Bruce was presented with a transistor radio. Officers this year were Cathy Danberg, President; Karen Eagle, Vice-President; Susan Marcotte, Secretary; and Dennie Deuser, Treasurer. Sponsors for the second consecutive year were Mr. Russell and Mrs. Nordin.

Honor Council won't catch us!

The Honor Council, organized as a new committee working with Student Council, represented an effective influence upon the student body. The primary purpose of the Honor Council was to maintain the policy of the honor code which serves as Brownell-Talbot's basic philosophy. The eventual aim of the Honor Council was to help rather than punish a student before his lying, cheating, or stealing became permanent habits. A Vice-President of Student Council, Karen Eagle became the first President of Honor Council.

The Middle Council this year effectively managed the activities of Middle School students. They met on Tuesdays at 8:15 under the sponsorship of Mrs. Trumble and Mr. McCoy. Several of their activities were selling refreshments at Fall Field Day and sponsoring a roller skating party at the Roller Bowl before Christmas Vacation. Officers this year were: Rob Mactier, President; David Brown, Vice-President; Lucia Batchelder, Secretary; and Teri Deuser, Treasurer.

THE TRIANGLE

Copy Editor, Nancy Olson; Business Manager, Mary Marshall; Photography Editor, Marg Jolley; Editor, Mary Mal Kountze; Tom Hawkins, Sports Editor.

Mary - "Mary Mal, cross off Life Magazine, They won't buy an ad."
Tom - "Bob, these scores can't be right!"
Marg - "I thought I was supposed to be Photography Editor; all I ever do is fix cokes!"
Nancy - "Hey, the copy's all done, except for the departments and Christmas and Ski Club..."
Susan - "I finished the drawing for the Cook Club. What? No Cook Club?"
Mary Mal - "Believe it or not, I think we're finally done."

These are exerpts of conversation from long hours at Mary Mal's. At many times the work seemed endless, yet the yearbook finally took form. The Triangle could not have been completed without the help of those people who weren't editors, but sold ads, wrote copy, or typed. Most of all we want to thank Mrs. Carey for always being around to give help when we needed it.

Mr. Bruce and Mary Mal discuss Triangle plans.

From left to right: Bee Traywick, Kathy Uren, Mary Ann Wallace, Bob Popp, Trudy Muller, Suzy Stryker.

THE CENTURION

This year Brownell-Talbot again published a school newspaper, the Centurion. Under the leadership of editors Bee Traywick and Mary Ann Wallace the Centurion staff has issued a different edition at the end of each month. The paper not only succeeded in its purpose of reporting on all facets of Brownell-Talbot life, but also contributed many creative articles. Perhaps most important of these was the editorial which appeared in each issue commenting on controversial issues in the school. The Centurion has proved to be an excellent experience for those on its staff and an entertaining newspaper for its readers. Advisors were Mrs. Carey and Mr. McCoy.

THE IVY AND THE ASHLAR

The Ivy and the Ashlar is a combination of the creative literary works of the students of Brownell-Talbot. The staff of the literary magazine is composed primarily of Upper School students. These students meet once a week in order to compile works for the semi-annual editions of the magazine. The Ivy and the Ashlar has become another tradition which encourages the creativity of Brownell-Talbot students. This years editor was Cathy Danberg, and the faculty advisors were Mr. Duffey and Mrs. Wills.

THE T-CLUB

The Talbot letterman's club is a growing organization. With the initiation of this year's new members the T-club has members ranging from the seniors to the freshmen. Officers for the past three years have been Bob Popp, President; Tom Hawkins, Vice-President; Scott Bowie, Secretary-Treasurer; and Phil Joslin, Sergeant-at-arms.

THE ART CLUB

The Art Club this year consisted of students from the Middle and Upper Schools. The Middle School art students worked with techniques and media and experimented with organizing pictorial compositions. The Upper School was allowed individual selection and they learned various methods of painting and sculpting the media. Mrs. Anna Myers was the sponsor this year.

THE CHESS TEAM

Brownell-Talbot's Chess Team has had an outstanding year. The team's President Jock Watson, Vice-President Tracy Brown, and remaining members included Rick Ortega, Mike Covalciuc, and Lee Neligh. In high school competition the boys played to a draw in matches with Westside, North, and Prep, losing only to South. In Wichita each team member won his match. Colonel Smithson, the team sponsor, arranged a match with the Moscow Young Pioneers Club in Russia, and the boys send and receive one letter monthly. Jock and Tracy triumphed in the State Tournament, winning first and second respectively. The team hopes to defend its victorious record next year.

THE SKI CLUB

Through rain, sleet, snow, and mostly sun the Brownell-Talbot Ski Club carried on. Accompanied by this years sponsors, Mr. Christiansen and Miss Schmidt, the club traveled to Crescent Ski Hills for several afternoons of exciting skiing. Enthusiastic skiers from the First through Twelfth grades ended a successful year with only two accidents, a harmless collision with a haystack, and an unfortunate broken ankle. Once again the Ski Club planned a trip to Colorado during Easter Vacation, and it was a huge success.

Honest, I didn't do it skiing.

LOWER SCHOOL HALLOWEEN PROGRAM

On Hallowe'en the Lower School gave a very entertaining program. Each grade sang songs and the fifth graders told fortunes with a crystal ball. The highlight of the program was the appearance of Mrs. Berg in full witch attire, to the delight of the children!

FALL FIELD DAY

In late October, Fall Field Day was held at Pentzien Field. The Middle School boys played a football game, and the Varsity Hockey Team Reserves played a match against the Junior Varsity. (Editor's note: We will not reveal the outcome of the game.) Mr. Bruce and the coaches presented awards to winners of the Fall Athletic Tournaments.

CHRISTMAS AT BROWNELL-TALBOT

This year the Christmas dinner, sponsored by the Student Council, was held in the cafeteria preceeding the traditional Christmas program. This year the foreign languages and choirs combined efforts to produce a delightful performance in Swanson Auditorium. The next day was the last day before vacation, and after Christmas Chapel a party was held in the recreation room, with Adkins playing the role of Santa Claus. That night the Christmas Dance took place at the Swanson Towers with the Intruders Combo. This year was no exception to the fact that Christmas is always an exciting time at Brownell-Talbot.

ATHLETICS

"Hockey 1 - Hockey 2 - Hockey 3 "-- a chant often heard throughout the halls, cafeteria, locker room, but seldom on the field! The 1967 Varsity Hockey Team had its most successful season this year. In regulation games the team triumphed to a record of three wins and one tie. The girls owe their winning record partly to many grueling hours of practice with Mrs. Joan Zandbergen (Crazy Legs!), and a trip to Lincoln for helpful instruction offered by the Nebraska Field Hockey Association. The trip to Barstow was unanimously considered the highlight of the season. The hockey team was well entertained during their stay and the game resulted in a 1-1 tie. Later in the fall, Brownell hosted the St. Katherine Varsity Hockey Team and defeated them 4-1. Mr. and Mrs. Zandbergen gave a party for the Varsity Hockey Team in November, and the girls showed their gratitude and appreciation by presenting her with a silver butane lighter.

"Guess what, girls? We're practicing until six o'clock!"

It travels far a near, and Mrs. Z's the greatest coach, for her we all will cheer.

There was a bus to old K.C., that took the Hockey Team; with sticks and balls we traveled there, loaded with plenty of steam. Edward drove us once again, he took us on our way, and Mrs. Vawter came along to keep us from going astray. Our feet were cold, our noses numb, our hands they almost froze, but being young and sturdy girls to the occasion we all rose."

THE GIRLS' ATHLETIC ASSOCIATION

The main aim of the Girls' Athletic Association is to support the high school girls' sports activities. In order to become financially stable, the A.A. officers sold pop and candy at most of Talbot's home football and basketball games. A few of A.A.'s activities for the year were the sponsoring of St. Matthias Day, Dads' Day, and the Brownell Invitational Golf Tournament held in May. The officers of A.A. this year were Marg Jolley, President; Susan Marcotte, Vice-President; Lee Webster, Secretary; and Martha Pickford, Treasurer. Mrs. Bonnie Vawter was A.A.'s sponsor this year.

Having an enthusiastic cheering section has incited a spirit of unity at all the Brownell-Talbot games during the past year. Heading this section, composed of parents, students, and teachers, is the cheerleading squad. These four girls, by creating a feeling of mutual support between the team and the school, have aided the Blue Raiders to innumerable victories.

BLUE RAIDERS FIGHT FOR VICTORY

Bob Popp and Coach McCoy discuss game plans.

1966 marked the first year of varsity participation in football. The Blue Raiders played a total of seven games; winning two, losing four, and tying one. The combined statistics show the Talbot Blue outgained their opponents in total yardage. The team consisted of boys from the entire high school. The Raiders are losing only five of their starters and will be looking forward to a great season next year.

Basketball has played an active role in Brownell-Talbot's Varsity sports program. 1967 will end the third year of Varsity competition. Under the coaching of Mr. Wallace, the Varsity team has practiced diligently every night for the last three months. A demanding sixteen game schedule included weekend trips to St. John's Military Academy and Wichita Collegiate School. Varsity team members ranged from the Seniors to the Freshmen.

The Golf Team: Neely Kountze, Scott Bowie, Bob Popp, Tom Hawkins.

THE GOLF TEAM

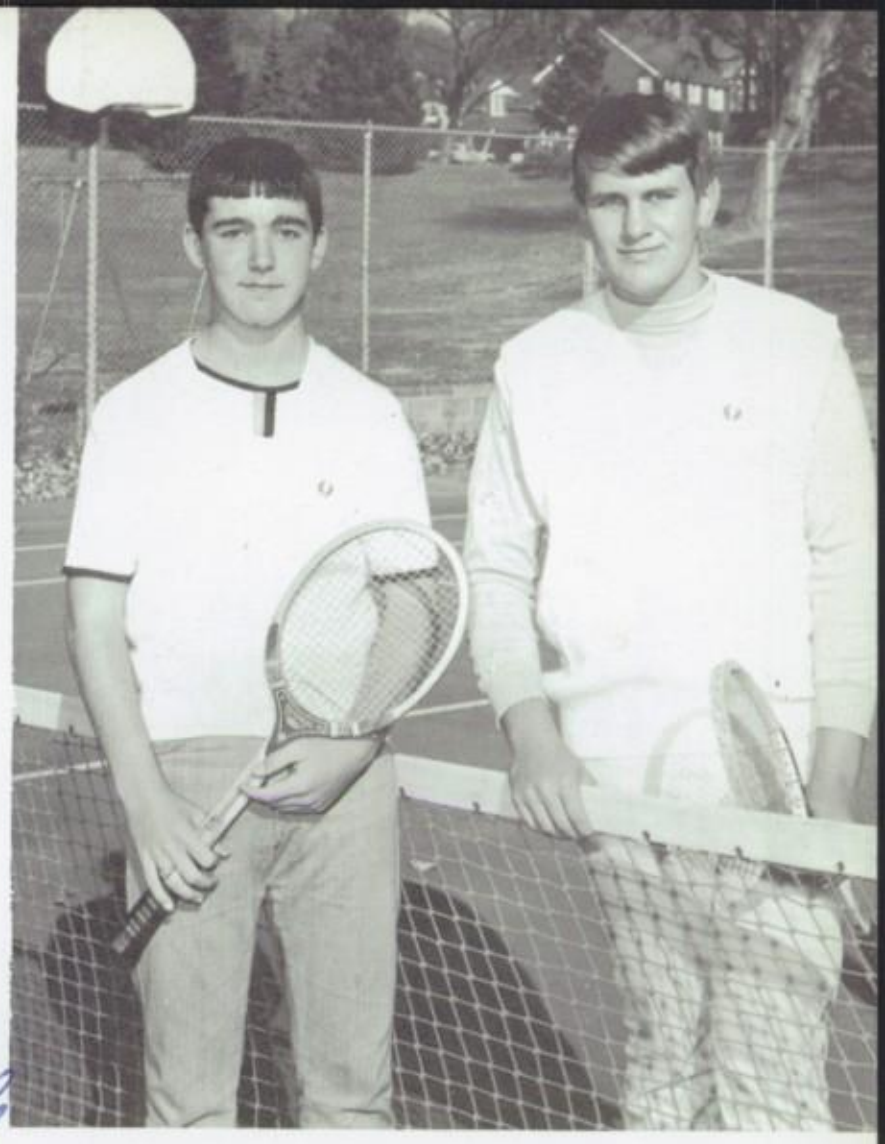
The golf team of Brownell-Talbot has a winning tradition that must be upheld. During its three years of existence the team has never lost a golf match to another school. The Talbot Blue won the 1966 B District Tournament by fifteen strokes.

The team went confidently on to the State Tournament to lose by only two strokes. The Tournament was highlighted by Bob Popp firing a 79 and winning a five man playoff on the second hole for State Individual Medalist honors.

"Fore!"

It's gotta be here somewhere!

THE TENNIS TEAM



Fall and Spring practice helped Brownell-Talbot's Tennis Team prepare for Spring competion. The highlight of the season was the State Tennis Tournament in May. Members of the team were Phil Joslin, Kurt Pittner, Tracy Brown, Ted Cleveland, and Rick Ortega. Under the supervision of Mr. Donald Brown the young team looks ahead to a bright future.

Hi Hoo! Well Hawk you been sure one heck of a long time getting to your greatest asset as to be good! I think see ya sometime Hawk!

THE CROSS-COUNTRY TEAM

This was the first year of existence for the Cross Country Team. The three members were Rick Ortega, Mark Jennings, and Jock Watson. The boys, sponsored by Mr. Russell, participated in two meets this year, the first at Ashland, and the second at the District Tournament. Experience and practice have improved the team greatly, and it is expected to be more successful next year.
